

## Finance Track

### MONDAY

11:15 AM – 12:00 PM

#### **Round Table Client Sharing**

*This session will be a round table session where clients are encouraged to participate in an interactive forum moderated by a CMI Finance Support Specialist. Many users find these sessions very valuable because they are able to learn about the business processes of their peers and gain a fresh perspective on issues they face every day.*

1:00 PM – 2:30 PM

#### **Authority Finance Demo**

*CMI's Nancy Jerkes will host this session as attendees get a chance to see what is available with the next generation of CMI Finance software, Authority Finance. Nancy will discuss the differences between the CMI Client Server and Authority Finance platforms, and the status of our Beta sites and early adopter customers. This will be an opportunity to get all of your questions answered about the future of CMI Finance software.*

2:30 PM – 3:00 PM

#### **Weekday WebCasts**

*CMI's Mike Brenner will review the Weekday WebCast program and how CMI users can use these sessions as a training tool for both basic and advanced users of CMI software. The WebCast schedule will be discussed, and suggestions for future WebCast sessions are welcome. In addition, we will review the technology used to deliver a WebCast to hundreds of participants, and how to get the most out of a session.*

3:15 PM – 4:30 PM

#### **“Going Green” – Paperless**

*Going green is a major priority for many local and county government agencies, as technology allows more flexibility in securing your documents electronically. This session will cover the procedural and legal impact of going paperless, as well as available technology that might help to streamline your “going green” initiative.*

### TUESDAY

9:15 AM – 10:15 AM

#### **CMI Finance Release Q & A**

*The most recent release of CMI Finance will be reviewed and discussed during this session. Attendees will have a chance to learn about the latest enhancements to the software and make requests for future enhancements. A CMI Finance Support Specialist will be on hand to answer your questions.*

10:30 AM – 11:30 AM

**Payroll Release Q & A**

*This session will cover the most recent release of the CMI Payroll application. A CMI Payroll Support Specialist will lead this session and answer questions about the release. Attendees may also make requests for future enhancements as well.*

1:00 PM – 2:15 PM

**Payroll**

*This session will cover the Payroll application. A CMI Payroll Support Specialist will review the Employee Master Screen, Pay Codes and Deductions, Reporting Options and more. Attendees will also have the opportunity to ask questions and share information with other CMI Payroll users.*

1:00 PM – 2:15 PM

**Fixed Assets: A New Look**

*A CMI Fixed Assets Support Specialist will lead this session, reviewing the latest status of CMI Fixed Assets. Users will have an opportunity to ask questions and discuss their experiences with the Fixed Assets System. Additionally, CMI will discuss future plans for Fixed Assets.*
